

YEARLY STATUS REPORT - 2022-2023

Part A

Data of the Institution

1.Name of the Institution		INDERPRASTHA ENGINEERING COLLEGE
• Name of the Head of the institution	Prof. (Dr.) Ajay Kumar	
• Designation	Director	
• Does the institution function from its own campus?	Yes	
• Phone no./Alternate phone no.	01202895135	
• Mobile no	9971664484	
• Registered e-mail	director@ipeccollege.org.in	
• Alternate e-mail	naac.iqac@ipeccollege.org.in	
• Address	63 Site IV, Sahibabad Industrial Area, Surya Nagar Flyover Road Sahibabad, Ghaziabad-U.P PIN Code-201010	
• City/Town	GHAZIABAD	
• State/UT	Uttar pradesh	
• Pin Code	201010	
2.Institutional status		
• Affiliated /Constituent	Affiliated	
• Type of Institution	Co-education	
• Location	Urban	

• Financial Status	Self-financing				
• Name of the Affiliating University	Dr. A.P.J. Abdul Kalam Technical University, Lucknow				
• Name of the IQAC Coordinator	Prof (Dr.) Meenakshi Sharma				
• Phone No.	01204535000				
• Alternate phone No.	01202895135				
• Mobile	9891047435				
• IQAC e-mail address	naac.iqac@ipeccollege.org.in				
• Alternate Email address	meenakshi.sharma@ipeccollege.org.in				
3.Website address (Web link of the AQAR (Previous Academic Year))	https://www.ipeccollege.org.in/wp-content/uploads/2021/07/AQAR-2021-22.pdf				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://www.ipeccollege.org.in/wp-content/uploads/2021/05/3-4year.pdf				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B++	2.8	2019	01/04/2019	31/03/2024
6.Date of Establishment of IQAC			26/05/2017		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,					

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
CSE Department	MSME Innovative Scheme	MSME	2022 (1 year)	15 Lacks
CSE Department	MSME Innovative Scheme	MSME	2022 (1 year)	12 Lacks
Innovation center	PFMS	Science and engineering research board	2022 (1 year)	3 Lacks
CSE Department	ATAL	AICTE	2022 (2 weeks)	3 Lacks

8. Whether composition of IQAC as per latest NAAC guidelines	Yes		
<ul style="list-style-type: none"> Upload latest notification of formation of IQAC 	View File		
9.No. of IQAC meetings held during the year	3		
<ul style="list-style-type: none"> Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes		
<ul style="list-style-type: none"> If No, please upload the minutes of the meeting(s) and Action Taken Report 	No File Uploaded		
10. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No		
<ul style="list-style-type: none"> If yes, mention the amount 	30000		

11. Significant contributions made by IQAC during the current year (maximum five bullets)

1. Various awareness session for faculty were conducted on NEP, NAAC criteria and NBA. 2. Skill/VAC courses were successfully conducted

for the students. 3. Effective teaching pedagogies were imparted to the faculty. 4. Gender sensitization sessions were conducted. 5. More focus on extension activities by IQAC.

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
1. Conduction of FDP on awareness enhancement about NEP	1. An online workshop was conducted successfully on awareness enhancement about NEP.
2. Awareness sessions on NAAC Criterion	2. Awareness sessions on NAAC Criterion were held for faculty members.
3. Conduction of awareness session on 'Effective teaching Pedagogies'	3. Awareness session on 'Effective teaching Pedagogies' was held for robust teaching-learning.
4. Student Paper Presentation	4. Paper presentation and publication by students was successfully achieved.
5. To set up the IDEA lab.	5. Successfully got the IDEA lab set up in the institute.
6. Apply for MoUs with various industries.	6. Successfully complied.
7. Enhance the innovative practices and apply for MSME projects.	7. Projects were granted and are successfully being executed.

13. Whether the AQAR was placed before statutory body?

No

- Name of the statutory body

Name	Date of meeting(s)
Nil	Nil

14. Whether institutional data submitted to AISHE

Year	Date of Submission
2024	27/02/2024

15. Multidisciplinary / interdisciplinary

In order to develop the all-round capacities of the students - intellectual, aesthetic, social, physical, emotional and moral in an integrated manner, the institute is planning to set up short term courses. The aim is to make the students equipped, so that they don't need to rely on Government jobs but instead pave a way towards self-employment. The institute is preparing itself to identify the programme learning outcomes along with courses and unit learning outcomes that define the specific knowledge, skills, attitudes and values that are to be acquired by the learner and would ensure that each programme achieves its goal.

16. Academic bank of credits (ABC):

ABC: as per the guidelines of the affiliating university Academic Bank of Credit id's of every student have been created to get every information regarding credit earned by the student. Further, it is also planned to use ABC more extensively as per the NEP 2020 guidelines.

17. Skill development:

The vision of the institute is to promote Value-Based Quality Education, hence it makes numerous efforts to inculcate positivity among the learners

a) The institute encourages faculty and non-teaching technicians to participate in skill development through FDPs / refresher course / workshop etc.

b) Workshop and hands on training for skill development is rendered to faculty members also.

c) Students are being given training in latest technology through value added courses.

d) Personality development program is an integral part of curriculum.

e) internship is made compulsory for all the students.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

"Knowledge about India" will include knowledge from ancient India and modern India, and a clear sense of India's future aspirations with regard to education, health, environment, etc. Events about awareness regarding culture, indian language etc are organized from time to time.

As per the university curriculum, we teach ITCS(Indian Tradition Culture and Society in BTech 3rd year .The aim of this subject is to develop an understanding to respect diversity and cultural differences and create an ability to respect diverse cultural perspectives.

The course aims at imparting basic principles of thought process, reasoning and inference to identify the roots and details of some of the contemporary issues faced by our Nation and try to locate possible solutions to these challenges by digging deep into our past.

- To enable the students to understand the importance of our surroundings and encourage the students to contribute towards sustainable development.
- To sensitize students towards issues related to 'Indian' culture, tradition and its composite character.
- To make students aware of holistic life styles of Yogic-science and wisdom capsules in Sanskrit literature that are important in modern society with rapid technological advancements and societal disruptions.
- To acquaint students with Indian Knowledge System, Indian perspective of modern scientific world-view and basic principles of Yoga and holistic health care system.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The institute also makes an effort to understand that a pursuit of knowledge is a life-long activity and to acquire positive attitude and other qualities which will lead students to a successful life. To interpret, analyze, evaluate and develop responsibility and effective citizenship is one of the programme outcome of the students. All course outcomes are kept in mind while setting of the internal assessment in accordance with cognitive abilities namely Remembering, Understanding, Applying, Analysing, Evaluating and Creating. Apart from the domain-specific skills, learning outcomes at all levels ensure social responsiveness and ethics, as well as

entrepreneurial skills so that student contribute proactively to economic, environmental and social well-being of the Nation. The Course Outcomes (COs) are also aligned with the PO-PSO philosophy.

20.Distance education/online education:

Although the institution runs all the theory and practical classes in physical mode but time to time online mode of education is also being used to connect with the student for remedial classes, interaction, assessment, expert lecture, workshops and for conducting conferences etc. The use of online education will be enhanced for more activities in the institution.

Part B	
CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
<p>Through the following measures, effective curriculum implementation is ensured: 1. The Director in consultation with HODs prepares an Academic Calender which is followed by an Academic Activity Calendar, in each semester in accordance with the university Academic Calendar. 2. Faculty are assigned subjects based on their skill</p>	

matrix, experience, area of specialization, and previous year's performance. 3. Prior to the start of the semester, the time-table in-charge of each department creates the timetable according to university requirement for the number of credit hours for each subject. 4. The lecture plan and course file are prepared ahead of time according to the defined criteria needed to collect execution details and identify gaps (if any). 5. The utilisation of modern teaching aids is emphasised in course delivery. 6. Student attendance is tracked on a regular basis using ERP software. 7. For first year through the final year, the institution conducts three internal tests, the first two of which are 2 hours long and the third one is 3 hours long. 8. Slow learners are identified based on their performance in sessional examination and remedial classes are held for them to enhance their performance. 9. The department keeps parents updated about their ward's performance.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

At the beginning of each session, the university releases a uniform Academic Calendar for all courses. In accordance with the university academic calendar, the college develops its own academic calendar and strictly adheres to it. Moreover, it is uploaded on the college website. Adherence is ensured in the following manner:- 1. Faculty prepares proper course files in accordance with prescribed academic calendar. 2. Time table is formulated and displayed. 3. Parents of students with attendance, <75% are informed. 4. Students' performance is evaluated on a regular basis by conducting three sessional tests per semester, with the best two being averaged. After completing 1/3rd, 2/3rd, and complete curriculum, the first, second, and third sessional tests are conducted. 5. The OBE format is used to create all question papers. 6. Course Coverage Report is reviewed. 7. Each semester, student feedback is collected and analyzed. 8. Assignments, micro projects, and quizzes are given and graded in addition to the assessments. 9. The students are shown their assessed answer books and given the chance to discuss any inconsistencies. 10. Attendance and sessional test results are entered into the college system for stakeholders to see. 11. Meeting of Academic committee is held every month to review all academic

activities.

1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

The affiliating university, AKTU curriculum has been adopted by the institution. The institute also raises awareness among students by hosting various events in which experts are invited to provide lectures on a variety of topics. Gender, environment education, human sustainability values, and professional environment etc. are all covered in the curriculum as part of the university syllabus, as well as through the organization of seminars, workshops, and discussion. Both genders are provided equal opportunities in terms of admissions, jobs, training programmes, sports activities, and other activities, thus there are no gender concerns. In teaching staff, more than 60% of the faculty members are female. The institute has a Women's Grievance Cell that ensures gender equity. Students are also urged to participate in swachh Bharat initiatives such as tree planting. Rainwater harvesting is successfully executed in the institute, which has resulted in significant water savings. The college campus has a RO plant to meet the drinking water demands. In

the second year of B.Tech, university curriculum includes a course on "Universal Human Values and Professional Ethics." This course is designed to help students understand how 'VALUES' and 'SKILL' work together to create long-term happiness and prosperity, which are the primary objectives of all human beings.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institute focuses on bringing out the best in every individual by taking into account the individual learning capabilities. Highly student centric approach is followed throughout. At first year level, the academic session marks with the beginning of a 3 week long Student Induction Program aiming to identify the strengths and weaknesses of the learners. SIP enables students to feel comfortable in their new environment, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature. It includes:-

- 1.Introductory sessions conducted by Director/Dean academics/HoD & faculty members (who are in-charges of various extra-curricular and professional activities taking place within college campus)
- 2.Talks by Eminent Speakers
- 3.Special classes for various proficiency modules like English, Physics, Mathematics and Programming Skills.
4. Creative and Literary Practices along with extra curricular activities.

Identification of Slow/advanced Learners

- 1.In the beginning, students are identified through their active participation in Induction Program, rank in UPSEE and marks obtained in 10+2 examination.
- 2.Performance in Internal Assessment i.e. Class Tests, Sessional Exam, Assignments, Lab & practical records, Attendance, quiz Programs for Slow Learners - 1.Tutorials / remedial classes are conducted for these students to clarify doubts, re explain the critical topics for an improved performance. Mentored and counselled properly.

Programs for Advanced Learners - 1.They are given inputs on reference skills, research methodology and research design. They are intellectually stimulated with various advanced projects, challenging assignment and tasks for their advancement.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Learning at IPEC is a wholesome experience for the students. A studentcentric approach facilitating realization of full potential is our aim. To achieve this, team of dedicated faculty members and supporting staffleaves no stone unturned to implement innovative learning pedagogy withfocus on the following areas:- 1. Outcome based learning approach 2. Inculcate a culture of Research and innovation with focus on handslearning 3. Exposure to diverse learning platforms through NPTEL, Spoken Tutorialand Virtual Labs 4. Encourage students to excel in co-curricular activities. 5. Ensuring adequate industrial, R&D and academic exposure. 6. Participation in various zonal, regional and national technical eventsfor overall expansion of ideas. Experiential Learning:- 1. All the class rooms and labs are well equipped with ICT. 2. The Institution provides sufficient teaching aid like OHP/LCDprojectors, State-of-art, Language Lab, R&D Lab, Virtual Labs, Workshops and Seminar hals for effective curriculum delivery 3. Students are encouraged to build small projects and then integrate themto make complex ones. We havealso established E-yantra Lab to train thestudents on Robotics and Microcontroller programming. 4. Experiential learning through Field Trip, Industrial visits andinternship. 5. Workshop and training on software/tools like STAAD-Pro, Geo-5, MXRoads, Primavera, Watergems, Revit, MATLAB, CADANCE, MS Projects, Robotics, HADOOP and BIG DATA, Cloud Computing, IOT, ANDRIOD, MicroAzure etc.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Information Communication Technology (ICT) has transformed the teaching-learning process to a great extent. To make the classes highly interactive and enabling learner centric approach, a mix of hybrid mode of teaching has been thoroughly inculcated in our system. The faculty members have integrated and equipped themselves with all devices and technological upgradation to achieve maximum learning amongst the students. The classrooms are well equipped with LCD projectors and systems along with excellent bandwidth connectivity to ensure smooth conduct of classes both in online as well as offline mode of lecture delivery. Use of ICT By Faculty- 1. PowerPoint presentations- 2. Industry Connect- Seminar and Conference room are digitally equipped where guest lectures, expert talks and various competitions are regularly organized for students. 3. Online quiz Faculties prepare online quiz for students after the completion of each unit with the help of GOOGLE FORMS. 4. Video Conferencing Students and Parents are counselled/informed with the help of Zoom / Google meet applications. 5. Video lecture- Recording of video lectures is made available to students for long term learning and future referencing. Online competitions- Various technical events and management events such as Poster making, Ad-mad show, Project presentations, Business quiz, Debates, paper presentations etc. are being organized with the help of various Information Communication Tools. 6. Workshops- Teachers use various ICT tools for conducting workshops latest methods such as Programming languages, simulations etc.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The process of Internal Assessment is followed as per the university guidelines. The process is transparent and is communicated to the stakeholders, students, faculty and parents by structured mechanisms. 1. The internal assessment of sessional test schedules are prepared and communicated to the students well in advance through college academic calendar. 2. The COE (at college level) conducts all the sessional tests as per schedule. 3. Attendance of students gets uploaded on college ERP on the same day. Parents can also check the attendance of their ward at any time. 4. Parents are informed telephonically and through speed post about the attendance and progress of their ward on monthly basis. 5. The pattern, quality and correctness of the question papers prepared by the subject in-charge for the sessional test are verified by the HoD. The internal documentation is maintained where the CO mapping to individual questions is mentioned in the question paper itself. 6. The evaluated answer scripts are shown to students for any discrepancy. 7. The marks obtained by the students in sessional test are displayed on the department notice board as well as on the student portal. 8. At the end of each semester, Director of the institute verifies the internal marks for all the students.

Any additional information	View File
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

All the grievances related to Internal & External examinations are addressed in a transparent, time bound & efficient manner as explained below: At institute Level: The performance of the students is informed the students immediately after the completion of assessment tests through displaying the marks on class room notice board and academic monitoring system. There is provision to display the evaluated answer booklet of class test and sessional test to the student and get it signed by the student. In case of any discrepancy the student can get it corrected with the concerned faculty member on spot. The students can approach the head of the department with their grievance, in case it is not sorted out by the faculty concerned. Even if the student is not satisfied with the decision he can approach to the controller of examination/Dean Academic/Director of the Institute for the resolution of the grievance.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The institution strives to become the most preferred destination for holistic education to meet the Industry demands. The vision and mission the institution emphasize the development of wholesome technocrats with discipline and integrity. Each department has its own vision and mission statements which are mapped to the vision of the institution. The vision and mission of the institution are given in the prospectus, information booklets issued, college website and displayed at the entrance of every department building. Effectiveness of teaching-learning process can be measured through learning outcomes which in turn are measured through the achievement of Programme Outcomes (PO) and course outcomes (CO). Every department has well defined Programme Education Objectives (PEOs), The details of Program Outcomes, Program Specific Outcomes and Course Outcomes for all the programs are properly stated and displayed on institute website, class rooms, laboratories etc.. Awareness about POs/PSOs & COs is made to students by faculty at the beginning of the semester besides displaying them in the respective departments, and on the college website.

Paste link for Additional information	Nil
Upload COs for all Programmes (exemplars from Glossary)	View File

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The program outcomes and Program Specific outcomes are assessed with the help of course outcomes of the relevant courses through direct attainment. Further the feedback from different stake holders are also taken to calculate the attainment of program outcome and program specific outcome. Following are the tools used in direct attainment process. Direct Assessment Tool Internal Assessment Test: The Internal Assessment marks of a theory paper are based on three tests generally conducted at the end 4, 8 and 12 weeks of each semester. It is a metric to continuously assess the attainment of course outcomes w.r.t course objectives. Average of the better marks obtained from any two tests shall be the Internal Assessment marks for the relevant subject. Lab Assignments: Lab Assignment is one the measuring criteria to mainly assess student's practical knowledge with their designing capabilities. In case of Practical, the marks are based on the laboratory records, quiz and attendance. Theory / Practical Semester Examination: Semester examination (theory or practical) are the metric to assess whether all the course outcomes are attained or not. Rubrics: Rubrics are basically the performance evaluation parameters which are used to find the gaps in the teaching learning process. Institute follows the methodology of proper gap analysis and fulfilling the gap in time through teaching learning process and various co-curricular activities. Based on the above mentioned tools attainment of course outcome is calculated first. After the calculation of the course outcome, attainment of the program outcome is calculated based on the mapping of course outcome with the program outcome.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The various initiatives are:

The Technology Business Incubator Cell(TBI),supported by MSME, Govt. of India is in place for promoting various skill development courses and innovative ideas .Institute has created many systems for knowledge transfer. MOUs are signed between Institute /related industries. The purpose of MoU is to have mutual intentions to jointly work on projects required for industries and research needs. Value Added Courses Value-added courses are offered to make students better prepared to meet industry demands as well as develop their interests and aptitudes. Value added courses are provided by institute to enhance all areas of relevance in a student's UG course. Value-added courses help the students to gain exposure to the latest technological developments, to provide an opportunity to develop inter disciplinary skills and to equip them with skills

which shape a global citizen's profile. Student Chapters /Professional Societies and clubs, distinguished lectures & Industry visits ,Workshops & Intractive sessions also serve as platforms for knowledge transfer.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The institute promotes regular engagement of faculty, students and staff with neighborhood community for their holistic development and sustainable community development through various activities. Exposure to extension and outreach activities sensitize the students towards social issues and also to legal and social remedies for matters like population growth, Child Labour, Pardha system, Girl education etc. Every Year, programmes are organized under which students and staff participate voluntarily in community based activities with neighborhood. Various awareness programs, workshops, rallies and road shows with themes like cleanliness, green environment & tree plantation, and empowerment of girls and women are organized. Many activities have been performed related to Outreach and extension activities for rural women under the ambit of UNNAT BHARAT ABHIYAAN, The theatre society of the institute performs nukkad natak in industrial area for workers related to cancer awareness, drug abuse

etc. These activities sensitize the students to social issues for their holistic development.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The institute has all the required infrastructure and physical facilities in terms of classrooms, tutorial rooms, Laboratories, Computer Centers, Central and Department Libraries, Reading rooms, Training and Placement Cell, Apart from above, the institute has Institute Innovation & Entrepreneurship Cell (IIEC) to foster the growth of innovation and entrepreneurship amongst the faculty and students. There are two well equipped Auditoriums for conducting various events. Department Seminar halls also exist that are used for the conduction of Workshops/Seminars/Conferences etc. Playground for outdoor games like Cricket, Volley Ball, Football, Basket Ball etc exists in the campus. There is a sports arena for the indoor games like Table tennis, basket ball, chess yoga etc. The campus has three Boys and three Girls Hostels also. Solar water Heating System, GYM, RO Plant, Fire Extinguisher, three standby power generators of 320 KVA, 250KVA and 125KVA, One Solar power plant of 100KVA which serves as the alternate source of energy. Moreover, the institute has more than required computing facilities.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The college campus has a sports arena in which there are three badminton courts and Table Tennis courts, etc. Indoor activities like chess and carrom are also played there. There is also a separate billiards court. Institute also has an open volleyball court, which is utilized by the students. Institute has a well organized gymnasium for both boys and girls. Institute also has a yoga centre where yoga sessions are conducted under the guidance of sports officer to sharpen the intellect and improve concentration. The institute has ample and well maintained auditoriums/open theatre and seminar halls for organizing various indoor and outdoor cultural activities on regular basis. The institute has an active Student Activity Cell (E-SAC) wherein the students are provided with a platform to participate in various Cultural, Arts & Literary activities at intra collegiate level. For regular meetings and practice, there is a dedicated room allocated for this purpose. Every year, Inderprastha Engineering college has a vibrant celebration of UDBHAV (The inter collegiate techno cultural fest).

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Institution has adequate and latest IT infrastructure including Rack Mounted Database server, Application server and File Server besides the Firewall with Gateway level Antivirus and user authentication. There are around one thousand computers most of which are configured with i3 and i5 series CPU. Application level and User Access Control manage with Firewall. IDS and traffic monitoring on different ethernet ports is executed by Firewall. Internet fiber optic is a 400 Mbps & 20 Mbps backup leased line. All the internal buildings are also having Fiber Optic Connectivity. Connectivity is extended in Labs and offices through CAT6 Cable and Gigabyte Switches. Controlled Wi-Fi access with user level and application level control is provided where Students, Faculty & Staff members can access internet freely through their mobile phones, tablet or laptop. Moreover, Faculty & Staff is also provided with individual system (Desktop) with internet facility.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The comprehensive infrastructure of the institute is constituted by elementary features like buildings, classrooms and playgrounds, and advanced attributes like ICT-enabled classrooms and laboratory facilities. The Institute has Civil Engineer/Administration Department who look after the maintenance of buildings, classrooms, library, sports complex and laboratories etc. The Civil Engineer/Administrative officer is headed by the Director who in turn monitors their work at the next level. They conduct periodic checks to ensure the efficiency / working condition of the infrastructure. They also look after the regular maintenance of civil works and all kinds of upkeep. The quality of drinking water is tested from time-to-time. Overhead water tanks are cleaned periodically. Adequate House-Keeping staff is employed to meticulously maintain hygiene and cleanliness in the campus. The software updates and ICT or internet related problems are resolved from the respective service providers. Proper inspection is done and verification of stock takes place at the end of every year. As per requirement of the maintenance of the equipments, the local hardware technician/service provider is called. The institute has a library chairman. The chairman follows up with the library and regularly monitors the library to ensure and maintain all text books, reference books, articles, journals, e-magazines, e-books etc.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Institute strongly believes in the philosophy of participative management .Students and faculty members are given representation in the committee where their representation is required. Students are empowered to play an active role as a coordinator of student associations, co-curricular and extracurricular activities.Each department has its own technical student council/forum viz. Gentrionix(ECE Forum), Genesis(CSE Forum), Trinity(IT Forum), etc.These councils are responsible for conduction of various co-curricular and extra curricular activities throughout the year in their respective departments. These councils run under the leadership of the student incharge with a faculty mentor. These forums organize various events on regular basis such as:Invited talks from industry personnel, project exhibitions and competitions, Alumni talks, Hackathon etc. There also exists a student council at institute level viz. E-SAC(Expressions - Student Activity Cell wherein students of all streams play a pivotal role in managing activities related to literary (Medha), Cultural(Nivedha), Technical(Vividha) and Sports(Spardha). Every year, fresh student organizing teams are forwarded from each department. Following are the committees where students have been given representation: Class committee ,Cultural Activities Committee, Literary Committee

,Technical Committee ,Mess Committee ,Discipline Committee Sports Committee ,IQAC,ICC etc.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Vision & Mission of the institute are prepared taking into consideration the views of all the stakeholders namely management, faculty students, parents, alumni, and industry persons. The Institute strongly believes in transparency, participative leadership and delegation of power at various levels. The vision of the institute is as follows: "National leadership in Human Resource Development, Excellence in Education and impacting Society through Globally Competent Technologies". The Institute achieve sits vision through the following mission statements: Be the most preferred choice of Student, Faculty and Industry. Be a National Level Technical Institution fostering Teaching, Research, Extension Education, Innovation, Leadership and Entrepreneurship Spirit. The Governing Council of the institute is constituted as per the guidelines of AICTE. It consists of members from Management, Academic Institutions, Industry, Statutory bodies and representatives from faculty with Director as member secretary. All the academic & administrative issues like budget recruitment, purchases, admissions, promotions, conferences, variation in intake etc., are discussed, approved and implemented by the governing council. Through participative management , the faculty is involved in various decision making bodies of the institute. . The institute follows very effective,transparent and participative governance for effective growth of Institute.

File Description	Documents

Upload any additional information	View File

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The institute functions with decentralized administration that has complete transparency in the decision making process. The Governing council has delegated powers to the Director to conduct the Academics, institutional development, curricular and extra-curricular activities. The Director inturn has delegated certain powers to the HODs and office staff. The council of HODs have a daily review meeting with director to discuss academic & administrative issues and to take appropriate decisions from time to time. The HODs are delegated adequate powers for smooth functioning of the Institute. The HODs also constitute many committees at department level to decentralize the activities for the further smooth functioning of their respective departments.

File Description	Documents

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Institute always believes in providing quality education to it's students and tries its level best to produce socially responsible and innovative engineering graduates for the Nation. For an engineering institute it is important that its quality of education should be certified by any external agency .

The Institute always creates proper strategies and plan to achieve the college vision and mission. Further it is also in sync with the NEP2020 and other Accreditation agencies wherein major Agenda are innovation, technology, skill development and Employability. Further, the mission is to create strategies to provide quality education and inculcate ethics in the students.

The perspective plan is effectively deployed and it includes:the following:

NBA accreditation for eligible departments

Apply for NIRF Ranking in various categories (Innovation, Engineering etc)of the institute

More emphasis on research

Implementation of Innovative practices in synchronization with the Institute's Vission and Mission.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

There are different bodies responsible for rendering academic and administrative leadership to the institution. An optimum level of decentralization through the autonomous departmental system and participative decision making process are in practice. For proper implementation of the policies framed by the governing council and to fullfil the statutory requirements, there are following major bodies/committees/cells in the institute .Governing Council:(This is the supreme body of the institute) which mainly is responsible for:
 1. Approval of Rules and Regulations /Policies
 2. Approval of Appointments
 3. Approval of allocations of budget
 4. Planning for continuous growth of the Institute . Academic Review Committee:(This committee is constituted for the academic monitoring and to keep a close vigil on the Teaching-Learning practices.The institution strictly follows the service rules according to the AICTE and AKTU norms. The teaching and non teaching faculty have the benefits of EPF/GIS/Gratuity and Casual/Earned/Medical/ Maternity/Compensatory Leaves. Recruitment takes place according to the norms of the AICTE & University.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Performance Appraisal system is one of the essential drive for providing quality education. The Institute strictly follows all the basic recruitment and promotional policies as stipulated by AICTE, AKTU as well as Government of Uttar Pradesh. A well-defined faculty and non-teaching staff appraisal system is adopted in the institute. The faculty appraisal contains the following salient features to capture all the aspects of academic performance. 1. End Semester results 2. Feedback from the students 3. Research publications by the faculty 4. Consultancy done by the faculty member 5. Books published by the faculty member 6. FDP/Workshops conducted/attended 7. Grant received from funding agencies 8. Conferences, Seminars, workshops attended 9. Contribution at department & institute level 10. HODs/Director report covering Professionalism For non teaching staff, performance is continuously monitored and their appraisal is done judiciously by their department heads.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institute has a mechanism for internal and external audit. We have our own internal audit mechanism where internal audit is an ongoing continuous process in addition to the external auditors to verify and certify the entire Income and Expenditure and the Capital Expenditure of the Institute each year. Qualified Internal Auditors from external resources have been permanently appointed and a team of staff under them do a thorough check and verification of all vouchers of the transactions that are carried out in each financial year. Likewise, an external audit is also carried out in an elaborative way on quarterly basis. The institutional accounts are audited regularly by both Internal and statutory audits. So far there have been no major findings / objections. Minor errors pointed out by the audit team are immediately rectified and precautionary steps are taken to avoid recurrence of such errors in future. The institute regularly follows Internal & external financial audit system. The Institute has maintained the highest level of transparency in all financial transactions. It may be seen from the audited reports that all the financial transactions are carried out as per the standard norms.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

IPEC is a self-financed institution, where the funds are generated through the fees paid by the students. Deficit is managed by taking advance from the parent trust/bank. Additional funding is obtained by faculty members from funding agencies like AICTE, DST, AKTU, MSME, through Research proposals. These funds are utilized for the research and laboratory development. The institute has a well defined mechanism to monitor effective and efficient utilization of available financial resources for the development of the academic process and infrastructure. The main body for taking the financial decision and related matters are Governing Council who constantly monitor and encourage for proper utilization of allocated funds as per need. The funds are allocated to each department during the preparation of yearly budget. Institutional budget is prepared by Director every year taking into consideration of recurring and non-recurring expenditures. Accordingly, all the administrative and academic heads are requested to submit the budget required for the subsequent financial year. Along with this, all coordinators of different cells are instructed to submit their budget to Director. All the major financial decisions are taken by the Governing Council of the institute. The major financial transactions are analyzed and verified by the governing council under different heads .

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC Cell of the institute works towards improving and maintaining the quality of education, identifying and suggesting new ways of using teaching aids, developing suitable infrastructure and offering suggestions for the value added courses. IQAC is an effective and efficient internal coordinating and monitoring mechanism. The IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality enhancement measures to be adopted. The IQAC meets every quarterly to plan, direct, implement and evaluate the teaching, research, and publication activities in the Institute. The sub-committees dealing with various activities and departments implement the IQAC guidelines and report the feedback. The IQAC strives to spread quality culture through quality enhancement initiatives and best practices. Significant improvements in quality have been made by institutionalizing the following IQAC initiatives: Strategic planning of key areas and assigning responsibilities - 1. Academic results 2. Student technical training 3. Student soft skill development 4. Placement support 5. Faculty development programs 6. Research and development 7. Interaction with industry 8. NBA accreditation 9. Value added Courses Monitoring and mentoring of academic and administrative activities. Academic and Administrative Audit is also carried out periodically by IQAC to assess the quality of academics .

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC of the institute has been consistently working towards quality education and inculcating quality culture among the faculty, students and staff. The IQAC has also contributed towards institutionalizing the quality assurance strategies and developed various processes as follows: 1. Promote industrial involvement in academic practices by organizing industrial training, industrial visits, workshops and guest lecturers from industry experts, MOUs, etc. 2. Implementation of Outcome-based learning education in each program. 3. Introduced the aptitude classes and soft skill classes for students to enhance personality and employability. 4. Participation of college in NIRF, ARIIA, NBA, various other quality

audits recognized by the state, national and international agencies. 5. Establishment of Institute Innovation Council(IIC) under MHRD. 6. Enhancement of Research and Development activities 7. Conducting quality programs i.e., seminars, webinars, guest lectures, conferences, etc. 8. Establishment of various processes to take feedback/surveys from various stakeholders. 9. To implement and enhance use of ICT tools to strengthen the teaching-learning process. 10. Establishment of the Mentor-mentee process and its effective implementation. 11. To submit the Annual Quality Assurance Report (AQAR) annually to the NAAC. Overall an incremental improvement in different activities has been prominently noticed.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

1. Awareness sessions are conducted by the institute on a regular basis on women safety. Institute's TBI foundation conducts women entrepreneurship awareness programs by the name 'Her Story'.
2. Internal Complaint Committee (ICC) has been constituted in IPEC under "The Sexual Harassment of Women at Workplace (prevention, prohibition and redressal) act, 2013"
3. Institute has separate lady guards at various locations. Female hostel warden is also available 24*7 for any assistance.
4. Institute provides bus facility for girls students to the Vaishali metro station for their safety and security. The premises has CCTV surveillance.
5. IPEC has appointed a female psychologist. Mental Health Club has been formed in the session 2022-23 in the institute in association with Aditya Birla Education Trust.
6. Common rooms are available in each girl's hostel for female occupants to play/gather/watch TV or hold discussions.
7. Institute's girl students participated in the AKTU Inter-Technical State Level Sports Fest and won many medals including gold, silver and bronze in various categories like Kabaddi, Kho Kho, 100m and 400m races etc.
8. It's a regular practice of the Institute to celebrate special days like International Women's Day, National Girl Child Day.

<p>7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management</p>	
<p style="text-align: center;">1. Alternate sources of energy and energy conservation measures</p> <p>Following measures have been undertaken to make the campus eco-friendly:</p> <p>? The architecture of buildings ensures maximum sunlight on all floors, thereby minimizing requirement / usage of heat and light.</p> <p>Solar Panels: Use of renewable energy is accorded due importance and priority. Solar heaters have been installed in all the hostels (for boys and for girls) and their serviceability is ensured at all times through servicing from the firm annually.</p> <p>The college has gradually moved on from normal light bulbs (least required wattage) to tube lights, slim lights, CFLs and LEDs thus conserving energy to the extent required.</p> <p>Hazardous waste management is given high priority. The recyclable garbage waste and non- recyclable wastes are dumped in separate and specified containers / dustbins. A separate agency with specialized expertise in waste collection and disposal has been hired for waste collection on daily basis. The agency also processes bio-degradable waste to make manure and disposes off cyclable and non-cyclable wastes as per established norms. In addition to the above, due importance is given at the time of procurement itself wherein quality product is only purchased with buy-back clause invariably</p>

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other											

diversities (within 200 words).

Institute has organized two days techno cultural fest by the name UDBHAV on 28th and 29th April, 2023. Students from many colleges participate in various competitions. The entire college wears a festive look as students participate in fun-filled activities including games, cultural and literary. The students are instrumental in arranging good sponsorships for the events. Eminent artists, performers and choreographers are involved as they train promising and interested students in choreography, dances and dramatization. All the cultural societies in the college be it Nrityakhetra, Dhewat, Inayat, Craftomaniac and literary society participate in the festival with full rigor and enthusiasm. UDBHAV is indeed a much-awaited event by the students and is marked by a variety of inter-college events such as choreography, debates, music, dance competitions, street play and one-act play, fashion-shows, face art, rangoli making and many more exciting events. The events are judged by the judges. Attractive prizes are given to the winners.

Institute has organized annual sports festival, Spardha in 2023. In this Volleyball, Badminton, Chess, Kabaddi and carrom games were organized. Computer Science students were the overall champion in this sports fest.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Title of the practice: Project Paper Presentation Program

Objectives of the practice: Graduates acquire a presentation skill to effectively communicate key information about a project including its goals, progress, outcomes and potential impact. Institute conducts project paper presentation program on the emerging technologies for the students. Overall, the objective of a paper presentation program is to facilitate the exchange of knowledge,

encourage collaboration, and contribute to the advancement of research and innovation in a particular domain. Success of a paper presentation program can be measured through attendee engagement, positive feedback, increased knowledge dissemination, and potential collaborations initiated during the event.

Title of the practice: Employability skill Development Program

Objectives of the practice: Graduates acquire a professional and ethical mind-set, effective communication, teamwork, and multidisciplinary skills. The Employability Skill Development Program, managed by the Institute, offers superior career guidance and placement opportunities. The T&P Cell of the institute aims to assist students in defining educational and career goals, developing employment-seeking skills, and securing desired employment. A dedicated team of professionals, with management degrees and industry experience, collaborates with HODs/faculty members to align the academic curriculum with project work, summer training, industrial visits, and internship programs.
