

IPEC CONNECT

Initiating the Communication...

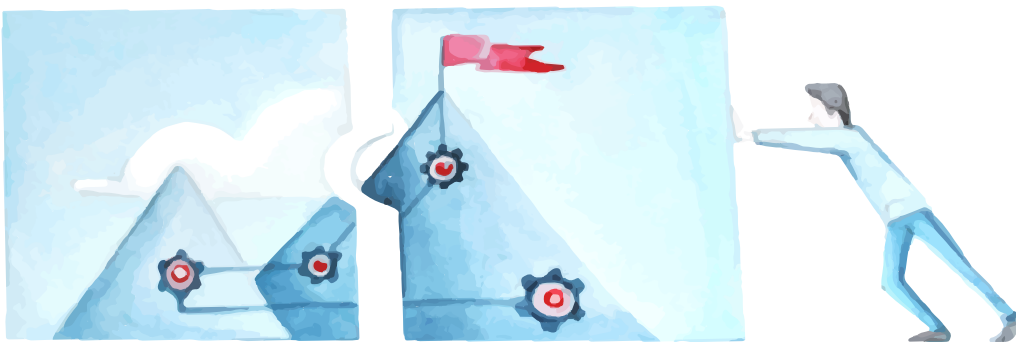

Shaping Engineers & Leaders For Future

Vision

"National leadership in Human Resource Development, Excellence in Education and impacting Society through Globally Competent Technologies"

Mission

- Be the most preferred choice of Student, Faculty, and Industry.
- Be a National Level Technical Institution fostering Teaching, Research, Extension Education, Innovation, Leadership and Entrepreneurship Spirit.

Chairman's Message

As we embark on another academic year filled with promise and potential, I extend my heartfelt greetings to each of you. Indraprastha Engineering College has always been a beacon of innovation and excellence, and I am honored to serve as your Chairman. Our commitment to nurturing future leaders in engineering and technology remains unwavering. In the face of challenges, we find opportunities for growth and learning. This year, let us continue to foster a culture of curiosity, collaboration, and creativity among our students. I commend our dedicated faculty for their tireless efforts in imparting knowledge and shaping the minds of our students. As we navigate the dynamic landscape of education, I am confident that the synergy within our community will lead us to new heights. Let us work hand in hand to make this academic year a memorable and successful one.

Wishing you all a year filled with achievements, growth, and shared accomplishments.

Shri Vishnu Saran
Chairman- Group of Institutions

I am happy to share that Inderprastha Engineering College is publishing a Newsletter, 'IPECONNECT' that will help to update the activities happening at the campus every four months. It also helps in bringing the contributions of all the stakeholders, which is very much required in the present scenario. It provides a platform for showcasing the academic and other achievements of the faculty and students. The overall purpose of the newsletter is to create larger visibility of the institute among all the stakeholders. Releasing the newsletter at a regular interval of time, contributes in the overall upliftment of the Institute's image. I congratulate my team for publishing the newsletter.

Best wishes and blessings to our dear students

Prof. (Dr.) Ajay Kumar
Director- Inderprastha Engineering College

Our dedicated team of educators have been working tirelessly to create a nurturing and engaging learning environment for our student using innovative teaching methods to enrich extracurricular activities, and to foster holistic development.

IPECONNECT is a medium to celebrate several accomplishments. These milestones are a testament to the hard work and dedication of our students and faculty. Looking ahead, we have an exciting lineup of events and initiatives planned that are all aimed at enhancing the educational experience at IPEC.

Thank you for being an essential part of IPEC. Together, let us make this academic year a memorable and successful journey.

All the best.

Prof. (Dr.) Vikas Gupta
Principal- BBA/BCA, IPEC

The Editorial Team is delighted to present the Third issue, volume Third of the quadrimestre series of our college newsletter 'IPECONNECT'. On behalf of our team, I extend a warm welcome to the readership of IPECONNECT. This launch series brings forward the drizzle of multifarious events of the institution where the glorious moments, exceptionalities, achievements and proceedings of IPEC family will acknowledge the year 2023 beginning leading to future accomplishments.

IPECONNECT provides a common platform to share and highlight various glimpses of development and innovation, every four months. The present issue covers the details of IPEC fraternity from September to December, 2023 conveying a panorama of various activities of the institute.

The Editorial Team is extremely thankful to all the members of IPEC family for their thought provoking contribution and expect that the tireless effort of our team, balancing academics and the production of this newsletter will live up to the expectation of our esteemed readers.

We look forward to a breezy reception of your valuable feedback and contribution.

Happy Reading!

MEMORANDUM OF UNDERSTANDING

● This Memorandum of Understanding (“MOU”) is made at Mumbai is entered on 04th September 2023.

BY AND BETWEEN

Inderprastha Engineering College, a Institution part of Shail Garg Shiksha Sansthan having its registered office at 63, Site IV, Surya Nagar Flyover Road, Sahibabad, Ghaziabad represented herein by Director of the Institution (hereinafter referred to as “**Inderprastha Engineering College**” which expression shall unless it be repugnant to the context or meaning thereof deemed to include its successors and assigns) of the ONE PART

&

Aditya Birla Education Trust, a Charitable Trust registered under the Maharashtra Public Trust Act 1950 (erstwhile Bombay Public Trust Act 1950) having its registered office at B-4, Aditya Birla Centre, SK Ahire Marg, Worli, Mumbai - 400030 for its initiative MPower (hereinafter referred to as “MPower” which expression shall unless it be repugnant to the context or meaning thereof deemed to include its successors and assigns) of the OTHER PART

Inderprastha Engineering College & MPower are hereinafter referred to as Party and collectively referred to as Parties

● This Memorandum of Understanding (“MOU”)

is signed on 31st Day of the March Year 2023 between: **Veterans India organization** registered under Indian Trust Act, 1882 having its registered office at D-253, Madhu Vihar Near, Sector-3, Dwarka, New Delhi-110059. And Corporate Office Plot-C-713 B, First Floor, Sector-7 (Market), Dwarka, New Delhi 110077. India, of the FIRST PARTY;

&

Inderprastha Engineering College, Ghaziabad

63 Site IV, Sahibabad Industrial Area, Surya Nagar Flyover Road Sahibabad, Ghaziabad-U.P - 201010

● This Memorandum of Understanding (hereinafter called “MOU”)

is made on 31th March 2023 by and between **Infosys Limited** (including its subsidiaries and Affiliates), a corporation organized and existing under the laws of India and having its primary place of business at Plot No. 44, 97A, Electronics City, Hosur Road, Bangalore 560 100, India (hereinafter “Infosys”) and **Inderprastha Engineering College**, 63 Site IV, Sahibabad Industrial Area,

Ghaziabad (including its subsidiaries and Affiliates) organized and existing under the laws of the state of Uttar Pradesh and having its primary place of business at 63, Site IV Sahibabad Industrial Area, Ghaziabad - 201010, India (hereinafter “Partner”).

Partner and Infosys being referred to individually as a “Party” or collectively as the “Parties”

Students Achievements

Congratulations to Bhumika Saklani, Harsh Tewari and Surbhi Saklani for their outstanding achievements and for securing top ranks in the AKTU (Dr. A.P.J. Abdul Kalam Technical University) for the batch 2019-2023! This is a significant accomplishment that reflects their hard work, dedication, and academic excellence. We extend our warmest congratulations to them on behalf of IPEC. We wish them continued success and fulfilment in their future endeavours.

We Feel so Proud to announce that our Students

Yuvaj Singh
B. Tech.

Electronics & Communication Engg. Batch-2022

For Being Admitted in
IISC, Bangalore for M.Tech in
Signal Processing
All India GATE Rank 31

Arpit Sharma
B. Tech.

Electronics & Communication Engg. Batch-2023

For Being Admitted in
DTU, New Delhi for M.Tech in
Signal Processing & Digital Design.

Students Achievements

Inderprastha Engineering College, Ghaziabad students participated in AKTU Inter- Technical State Level Sports Fest in S.R.Institute of Management and Technology, Lucknow held on 1st-2nd December 2023. It's a pride moment as **IPEC won 4 medals in which 2 are Gold Medals , 1 Silver Medal and 1 Bronze Medal** in following categories:

1. Kabaddi girls team won **GOLD** medal.
2. Kho-Kho girls team won **GOLD** medal.
3. Sondarya Chauhan won **SILVER** medal in 100 m race.
4. Sondarya Chauhan won **BRONZE** medal in 400 m race.

Under the guidance of Prof. (Dr.) Ajay Kumar, Director, IPEC, Mr. Ravi Anand, Sports Convener, Mr. Vinay Kumar, Sports Officer, and Ms. Tanya Sharma students were able to achieve this milestone

Students Achievements

Inderprastha Engineering College, Ghaziabad students participated in **AKTU Zonal Level Sports Fest** in RKGIT, Ghaziabad held on 3rd-4th November 2023. It's a pride moment as **IPEC won 6 medals including 4 Gold Medals and 2 Silver Medals**. Special thanks to Prof. (Dr.) Ajay Kumar, Director, IPEC, Mr. Ravi Anand, Sports Convener, Mr. Vinay Kumar, Sports Officer, Ms. Tanya Sharma and Ms. Payal Taneja for guiding and supporting the students throughout the event.

Team- INAAYAT (The Theatre society of IPEC) won 2nd Prize, both in Theatre and MIME at All India Institute of Medical Science (AIIMS). PULSE is an all-India level Competition held at AIIMS every year. IPEC students brought laurels to the institute by being 1st Runner up in two events. Students were congratulated and felicitated by Director IPEC, Prof. (Dr.) Ajay Kumar, Dean (S&W) Prof. (Dr) Meenakshi Sharma and the Student Welfare team members, Ms. Shalini Singh & Ms. Uma Sharma

Department of Mechanical Engineering, IPEC, Ghaziabad is pleased to announce that Mr. Ravi Thakur student of **B.Tech 4th year presented a paper in The 3rd International Conference on Mechanical and Energy Technologies (ICMET-2023)** conducted by the Department of Mechanical Engineering, GCOET, Greater Noida in collaboration with NIT, Delhi India during 7th-8th December 2023. The title of the paper is "A review of the effects of process parameters on machining and surface quality in Wire EDM of Inconel Alloys". Other 4th year students Abhygyan Saha, Rudraksh Varshney, Deepak Pawar & Neha also contributed their efforts in the work. Faculty members Mr. Ankit Kumar and Mr. Rajesh Kumar guided them during paper writing preparation.

Students Achievements

Inderprastha Engineering College, Ghaziabad participated in the HackCBS. **HackCBS is India's Largest Student-run Hackathon** which is run by the student and for the students. It is also identified as Delhi University's First-ever Hackathon-cum-conference and ASIA's First MLH Member Hackathon. This time, the 6th Edition of hackCBS (hackCBS6.0) was organized at Shaheed Sukhdev College of Business Studies (University of Delhi), Rohini, Delhi on 4th - 5th November 2023. It's a **pride moment as our student team i.e. Dhruv Varshney, Karan Vaswani, Rudransh Aggarwal, Samridhi Yadav secured 3rd position in the competition with a cash prize of 20,000.** Their idea submission was Brain Brawl, a 1v1 Educational Contesting Platform, to conduct knockout educational quizzes within and between universities and other educational institutions.

Students from BBA/BCA department participated in **Business Plan Competition** organized by **Jaipuria Institute of Management Indirapuram, Ghaziabad** on **23rd December, 2023**. Three students from BBA presented their business plan and got appreciated for their vision on their business plan. They were given certificate of appreciation for participating in the event and presenting their business ideas.

SIH is the World's Biggest Hackathon and Open Innovation model, an initiative by Ministry of HRD. Students across India compete creatively to solve problems of Ministries, Departments, and to harness creative solutions for nominating the finalized teams from software edition and from Hardware Edition Inderprastha Engineering College, Ghaziabad conducted **Internal Hackathon on 27th September, 2023**. This hackathon was conducted by the Department of Computer Science & Engineering (AI &ML), to encourage the students and drive the spirit of Competitive Programming among other Computer enthusiasts .

IPEC Student Branch organized **Youth to Youth Connect Program of Bureau of Indian Standards (BIS)** on 16th October, 2023. The event was attended by B.Tech, BCA and BBA students. The faculty from various departments participated in this event. All the participants gained knowledge on various standards regarding products, which encouraged innovation among them.

Academia Roundtable as part of the NASSCOM NRC Regional Council Initiative at NASSCOM, Noida
To strengthen the Industry Academia Interaction Prof. (Dr.) Ajay Kumar, Director, IPEC attended Industry Academia Roundtable as part of the NASSCOM NRC Regional Council initiative at NASSCOM 19th December, 2023, Noida. The discussion was very fruitful wherein many members from academia and industries participated. Thanks to NASSCOM for the invitation to the roundtable discussion.

Team IPEC at ICT Academy Bridge 2023 in Delhi To bridge the industry-academia gap, Prof. (Dr.) Ajay Kumar, Director, IPEC with IPEC Team attended ICT Academy Bridge 53rd Edition-Delhi on 16th October, 2023. This is the largest Industry-Institute Event of India. On the theme, 'Building Human Capital, Accelerating Growth, Enabling Access' - the summit helps the higher education institutions across India to focus on the acute problems that the current education system faces to prepare students for a future of rapidly changing work demands.

PROCEEDINGS/EVENTS

An event “**Tech Trivia**” based on tech news, aptitude and debugging coding questions was organized by Think AI Club on 19th October, 2023 for the students of 1st and 3rd year. Event included the problems of aptitude, debugging and tech news. Top Three students each from 1st and 3rd Year were awarded certificates. Event provided a challenging platform to the participants to showcase their abilities and compete with their peers.

Bridging the Gap Between Academia and Industry- Inderprastha Engineering College hosted an enlightening **Guest Lecture on Financial Literacy for our first-year BBA/BCA students**. Dr. Pramod Kumar Verma's insights into finance, investments, and development were valuable.

National Career Service is a Mission Mode project under the Ministry of Labour and Employment, Govt. of India, launched by Hon'ble Prime Minister Sh. Narendra Modi ji on 20th July, 2015. It aims to provide skilled manpower, improve digital infrastructure, and generate employment opportunities for all. It is a digital version of employment exchange where all the career and employment related services for all stakeholders are just a click away. BCA students embarked on an **Industrial Visit on 13th October, 2023 at model career centre, National Institute for career service (NICS), Noida.**

Vigilance Awareness Week by Bel, Ghaziabad was celebrated at Inderprastha Engineering College, Ghaziabad on 19th October, 2023. The programme started with a pledge taking event of Vigilance Awareness Week then the audience were addressed by Prof. (Dr.) Ajay Kumar, Director, IPEC and Delegates from BEL after which the debate competition was conducted in which ten students had participated and the first three winners were awarded with trophies and certificates.

The **Felicitation Ceremony** of all the technical societies of CSE and allied branches for the session 2022-23 organised at Inderprastha Engineering College, Ghaziabad, on 30th December, 2023 .

1. IPEC ACM Student Chapter
2. IPEC CSI Student Chapter
3. Trinity Cyber Forum
4. Data Science Club
5. ThinkAI Club
6. IIEC (Innovation Incubation Entrepreneur Cell)

It aims to commend the Core team, winners, and Sig members of the societies, expressing appreciation for their valuable contributions to various aspects of the distinct societies. The event was coordinated by Prof.(Dr.)Tripti Sharma (HOD CSE-DS), IPEC.

PROCEEDINGS/EVENTS

An Exclusive Event with top IBM Leaders, Fellow Educators and The Esteemed CSR Head of IBM to felicitate all educators who participated in Buildathon. The key speakers in the program were Prof. T.G Sitharam – AICTE Chairman, Dr. Buddha Chandrashekhar – AICTE CCO, Prof. Anita Dev – Vice Chancellor, IGDTUW, Justina Nixon-Saintil – Vice President, CSR, and Chief Impact Officer, IBM on 09th October, 2023 at Hotel Shangri-La, 19 Ashoka Road, Connaught Place, New Delhi 110001 from 01:00 pm to 04:30 pm

Inderprastha Engineering College organized **State Level Camp Level-II Examination, Uttar Pradesh (West Region), of Vidyarthi Vigyan Manthan 2023-24**, A Digital based and Largest Science Talent Search Examination for Emerging India, by Vijnana Bharti (VIBHA) in association with National Council of Science Museum (NCSM), Ministry of Culture, Govt. of India and National Council of Educational Research and Training (NCERT), Ministry of Education, Govt. of India. The event was blessed by Dr. Tripta Thakur (DG-NPTI), Dr. NP Shukla (IAQC Delhi, NEC, Vijnana Bharti), Dr. A K Singh (Ex DG. DRDO), Atul Jain (Chairman Iron Industries & President Tech Institutes Association), Shri Shreyansh Mandloi, (Sanghanthan Mantri UP) Mr. Puneet Agrawal, Vice Chairman MIET Group, Director IPEC, Prof. (Dr.) Ajay Kumar, and Organizing Secretary & Dean Student Welfare Prof. (Dr.) Meenakshi Sharma. In this event, more than one lakh students from class 6 to 11 from Western Uttar Pradesh registered, out of which 125 students were shortlisted. After the written and practical examination, **the jury gave a cash prize of Rs 5000 to the first position holder, Rs 3000 to the second position holder and Rs 2000 to the third position holder of every class.**

Inderprastha Engineering College organized **District Level Science Model Competition** on 05th December, 2023 for the students of class 9th-12th in which 65 models were demonstrated. Prizes were awarded for best three models. The entire event was successfully organized under the guidance of Director IPEC, Prof. (Dr.) Ajay Kumar and Organizing Secretary & Dean Student Welfare, Prof. (Dr.) Meenakshi Sharma.

The Indian National Space Promotion and Authorization Centre (IN-SPACe) organised an innovative ‘Train the Trainers’ short-term program in the use of space technologies in the agriculture sector. The 5-days course on ‘Using Space Technology for the Agriculture Sector’ has been designed in collaboration with the Indian Space Research Organisation (ISRO), Meerut Institute of Technology (MIT), Inderprastha engineering College (IPEC), various Non-Government Entities (NGEs), and academia. The course was conducted from November 20th - 24th, 2023 at IIT Roorkee Greater Noida Campus.

A **Blood Donation Camp** was organised on 5th October 2023 at Inderprastha Engineering College, Ghaziabad. It was organised in associates with Rotary Club Ghaziabad. More than 150 donors registered and donated the blood.

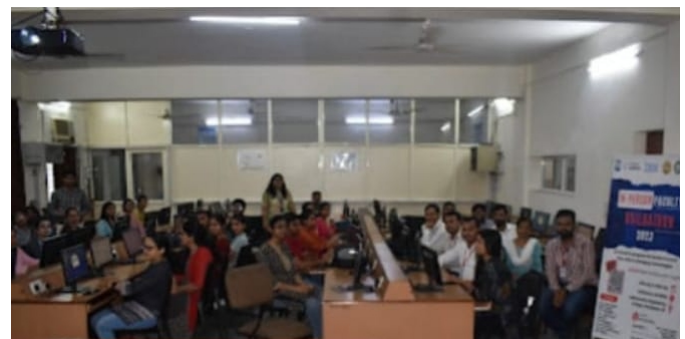

The “**National Mathematics Day**” was celebrated on 22nd December, 2023, by the Department of B.Tech first year, at Inderprastha Engineering College Ghaziabad. The event was graced with the presence of Prof.(Dr.) Ajay Kumar ,Director, IPEC, Incharge 1st year Prof.(Dr.) Jyoti Sinha and all the faculty members. The celebration aimed to provide a warm tribute to the great mathematician Shri. Srinivasa Ramanujan. The mathematics department organized a quiz competition for B.Tech first year students headed by Dr. Preeti Kaushik and team. Students participated actively in the competition out of which five student scored the positions. The first position winner was Yatin Sharma and second position holders were Mohini Yadav and Rohan Sahu. The third position was grabbed by Lakshit and Vedansh Kaushik. Such events instill confidence in students an enhance their creativity.

Aeronautica Club of IPEC organized an event, '**WING FLING**' (a glider making competition) for First year students on 17th October, 2023. The winners were felicitated by Director IPEC, Prof(Dr.) Ajay Kumar , Dean Student Welfare, Prof(Dr.) Meenakshi Sharma and Coordinator, Dr. Bhaskar Chandra.

Inderprastha Engineering College, Ghaziabad and Meerut Institute of Engineering and Technology, Meerut, jointly organized a 5-day in person **Faculty Development Program on ‘Data Analytics Using Cognos’** sponsored by IBM, in collaboration with AICTE and conducted by SmartInternz , from 26th September, 2023 to 30th September, 2023. In a world that’s constantly evolving, it’s important for us to stay updated to stay ahead. Faculty Buildathon is designed to expand the horizon and equip the faculty with practical and hands-on technical knowledge. The faculty from various institutes participated in this FDP.

Techzooka is an **Infosys Annual Event** that celebrates technology and touches the lives of Infoscions, clients, students, and the community on 21st December, 2023, it offer various interventions (seminars, competitions, hackathon, robotics workshop, etc.) with a particular focus on digital-first emerging technologies such as cloud and AI. Techzooka 2020 gave opportunity to the student community from engineering colleges to be part of the event based on specially designed forward-looking themes to dive into the IT industry and connect with industry experts. The event was attended by Prof. (Dr) Pooja Tripathi, SPOC Infosys.

The Unisys Innovation Program (UIP) is an industry-academia contest in India that inspires students to tackle tech and business challenges with their brightest ideas. This strategic initiative fosters innovative thinking and problem-solving skills among engineering students. Prof. Pooja Tripathi, Mr. Mandeep Katre, Attended **Unisys Innovation Program** at Courtyard by Marriott Hotel in Gurugram on 08th, December 2023. Wonderful session for the Innovation and Challenge Competition for students

Infosys Springboard is a Digital literacy program launched as part of the Infosys ESG Tech for Good charter. It aims to enable students and associated communities from early education to lifelong learners by imparting digital and life skills through curated content & interventions, free of cost. Infosys Springboard roadshow was organized on 26th, October 2023 at 10:00 AM through Microsoft team conference with experts from Infosys. They walked boarding of new user and how to search the course of interest.

PROCEEDINGS/EVENTS

The **Glider Flying Competition** was held on 26th October, 2023 in the college ground was a captivating event that combined learning, innovation, and hands-on experience. Organized by AERONAUTICA , the competition aimed to introduce students to the fascinating world of aviation and glider design.

Student Induction Program (SIP)

Department of Ist Year, Inderprastha Engineering College, Ghaziabad has always prioritized **physical fitness as well as mental wellness of its students**. With this vision the **First Year Dept. of IPEC embarked the start of the 'Student Induction Program'**, Ghaziabad, on 13th October, 2023 under the spiritual guidance of Dr. Preeti Madaan in the morning hours whereas the evening hours were filled with fun and energy marked by Sports Events. Dr. Preeti Madaan is empaneled as National Level Assessor in National Quality Assurance Standards for Public Health Facilities, Govt. of India with varied experience of approximately 21 years in the field of public health, medical and general administration of hospital. She provided the students with a deep insight on 'Positive Thinking' and rendered them with a vision on how 'Positive Thinking' can be instrumental in enhancing their skills and capabilities.

3-week Student Induction Program (SIP) was conducted at Department of First Year, Inderprastha Engineering College, Ghaziabad aims to assimilate B.Tech First Year students for various activities. The highlights included 'Creative Practices' such as 'Presenting Innovative Start-up Ideas', 'Best Out of Waste' and 'Situation Based Act' among others. This module was headed by Dr. Poonam Agarwal and Team. There were many performances in the category 'Literary Events' headed by Ms. Yamini and the team. The students participated enthusiastically and were highly engaged throughout the event. The programme successfully aimed at involving all students so that they can get an enriching experience and feel motivated.

International Day of Non- Violence - In a world often marred by conflicts and discord, the significance of non- violence, a timeless philosophy championed by Mahatma Gandhi remains a beacon of hope for humanity. On the occasion of Gandhi Jayanti, institute celebrated International non- violence day. An elocution competition was organized where students enthusiastically participated and presented their views on non- violence. Principal Prof. (Dr.) Vikas Gupta graced us with his presence in the event along with all the faculty members.

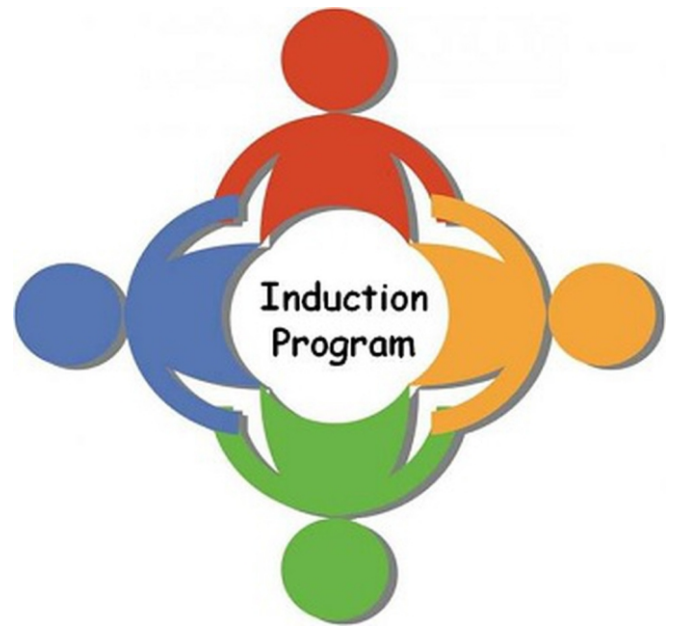

Inderprastha Engineering College- Innovation Incubation & Entrepreneurship Center (IPEC-IIEC, A Govt. Approved MSME-Business Incubator) organized A Student - Speaker interaction session on Entrepreneurship and the role of PUM Netherlands, sponsored by the Ministry of Science and Technology, Government of India, at Inderprastha Engineering College on 4th October, 2023. Distinguished speaker Mr. Bert Boerma from PUM Netherlands offered insights into effective entrepreneurship development. Hosted by IPEC TBI Foundation, known for its MSME-approved incubator, the event occurred at an AICTE-approved institute affiliated with APJ Abdul Kalam Technical University, UP, with NAAC accreditation with the presence of Director Prof. Dr. Ajay Kumar. On this day, participants gained knowledge on a variety of topics, entrepreneurial traits, and development techniques, which encouraged innovation and an entrepreneurial attitude. Over 400+ students attended the session and gained knowledge.

A workshop on “Drone Technology” was conducted by Think AI Club to provide participants with a comprehensive understanding of drone technology, its applications, regulations, and experience with drone operations. The workshop was organized under the supervision of Dr. Kumud Kundu (HOD-AIML) and attracted a diverse audience, including students from different branches. Abhishek Thakur (3rd Year, CSE-AIML) and Pulkit Tyagi (4th Year, CSE-AIML) shared their knowledge and experience, enriching the event and contributing significantly to the participant's understanding of drone technology. Participants acquired essential knowledge and skills required to put together a drone from this workshop

Department of First Year, Inderprastha Engineering College, Ghaziabad not only believes in creating good engineers but also in shaping responsible Samaritans and hence takes the forefront of imbibing the values of every social and moral aspects in its students to let them grow into well-rounded personalities. With this vision, Department of First Year marked the inception of '**Student Induction Program**' on 03rd October, 2023 with great exuberance and zeal and meted out its students a platform to exhibit and nurture their wits and skills through several activities such as Creative Practices, Literary Activities, Extra-Curricular activities and many more. The opportunity was availed by the students with great enthusiasm and the event was a fruitful one marked by an overwhelming participation of students.

First-year BBA students embarked on an eye-opening **Industrial Visit to Paras Dairy Plant**. They delved into the intricacies of dairy production, from raw materials to packaging, was witnessing quality control measures, sustainable practices, and more. The insightful industrial visit was witnessed by more than 30 eager minds on 26th & 27th September, 2023

Inaayat, the Theatre Society of IPEC performed a powerful street play on "**Cancer Awareness**" during AIIMS' Dr. BRAIRCH Foundation Day on 28th November, 2023 (Tuesday). The impactful play unfolded at two significant locations — first in front of Dr. B. R. Ambedkar Institute Rotary Cancer Hospital and later at the esteemed JLN Auditorium. With a core focus on actively disseminating awareness, the play aimed to inspire individuals to never lose hope or the will to live when confronted with cancer. It carried a resounding message: as a united community, we possess the collective strength to triumph over cancer's challenges with unwavering courage and determination.

Mental Health Club of Inderprastha Engineering College, Ghaziabad organized a two day' workshop on '**How to be a Mental First Aider**'. The workshop was conducted in association with COPE (Counselling & Outreach for Peer Empowerment) of Aditya Birla Group on 24th and 25th Nov 2023. The participants enthusiastically involved themselves in each activity put forth by the resource people. Director IPEC, Prof (Dr.) Ajay Kumar and Dean Student Welfare, Prof (Dr.) Meenakshi Sharma appreciated the efforts put in by the Counsellors and acknowledged the reciprocation of the participants.

Student Management Quiz Competition organized at Inderprastha Engineering College, Ghaziabad with All India Management Association on 20th November, 2023. It was inaugurated by Ravi Jangra, AIMA Deputy Director, Ashu Sikri, Assistant Director, Pradeep Kumar, Manager, Prof. (Dr.) Ajay Kumar, Director IPEC, and Principal Dr. Vikas Gupta. During this competition, 60 teams from different schools and colleges of Meerut, Modinagar, Hapur, Delhi, Ghaziabad participated. The 1st winners were Om Srivastava and Jagjit Singh of Nutan Vidya Mandir School. The 2nd position was secured by Twinkle and Samarth Jain of Vivekananda Institute of Professional Studies, Pitampura and Pratham Bhalla and Ashwin Sharma of IPEC, Ghaziabad. All the winners were honored by the AIMA guests, Vice Chairman Mr. Puneet Aggarwal, Director Dr. Ajay Kumar, Principal Dr. Vikas Gupta. The event was organized and managed by faculty coordinator Mr. Anshul.

Under the ambit of "**MISSION SHAKTI**" for women safety and regard, an awareness session for female students was held at Inderprastha Engineering College by Sub Inspector, Ms. Sumitra Rawat, Sub Inspector, Ms. Munesh Chodhary, constables, Ms. Seema and Ms. Priyanka. They presented various live incidents related to various crimes and shared the Government helplines for women to raise their voice against any such crime.

Exploring Innovation at **ET Soonicorns Summit 2023**- Inderprastha Engineering College, Ghaziabad Principal Dr. Vikas Gupta along with faculty members Ms. Alpana Rani, and Ms. Aashi Jain from BBA/BCA Department had the privilege of attending this inspiring summit in Delhi. Together, they delved into the future of technology and entrepreneurship, learning from the brightest minds in the industry. Here's to fostering innovation and knowledge! With 'Resilience Reset Result' as the theme, the future looks promising and impactful.

A Guest Lecture was organised at Inderprastha Engineering College, Ghaziabad for BBA/BCA students. The session was led by Ms. Rachna Sharma. Mr. Sandeep Kushwaha also shared his knowledge. The Topic was "**AWS Discovery Day**". The event aimed to provide students with valuable insights about Cloud Awareness and importance of AWS Cloud Computing. The event was graced with the presence of Principal Dr. Vikas Gupta. All faculty members and students from BBA & BCA department actively took part in the session.

Inderprastha Engineering College, Ghaziabad organized an event of **"Rangoli and Best Out Of Waste competition"** based on **Pollution and Women Empowerment** on 3rd November, 2023. The event provided challenges to all the participants to showcase their creative and artistic approach. The event was graced with the presence of Principal Dr. Vikas Gupta. The event was organized under the supervision of Faculty Coordinator Mr. Anshul, Mr. Prashant and Ms. Parul. The competition was concluded by awarding the winning certificates to top four teams.

IPEC and ICT Academy in association with Honeywell, a global technology and manufacturing company, organized the hundred hours of training under its **Youth Empowerment program**. Students who had completed the training were awarded with the AWS Cloud Practitioner certification preparation books. The training, sponsored by Honeywell, aimed to provide training and support to IPEC students in gaining practical knowledge and experience in AWS Cloud Practices.

Department of ECE inaugurated its **Skill Development Laboratory for Analog and Digital VLSI Design using Cadence**. The lab was inaugurated by Director IPEC, Prof (Dr.) Ajay Kumar and HoD ECE, Prof (Dr.) Meenakshi Sharma in presence of faculty and students of ECE Department. Both Director and HoD urged the students to keep themselves abreast with the technological advancements and make the best use of the tools and resources provided to them for making themselves ready for employment.

Unnat Bharat Abhiyan Team of Inderprastha Engineering College, Ghaziabad organized a remarkable awareness programme, "**Pradhan Mantri Vishwakarma Yojna**" on 28th October 2023. The event was organised and handled by UBA Team under the guidance of Honourable Director Prof. (Dr.) Ajay Kumar. The objectives of this scheme include Skill Development, Employment Generation, Empowering Youth, Reducing Unemployment, and Promoting Entrepreneurship. The IPEC UBA Team i.e. Dr. Shweta Chaku (CSE) and Ms. Pushpanjali Patel (CSE) made a visit to Uthan Public School, Makkanpur Village, Indirapuram. Principal of Uthan Public School, Staff, Ms. Beena Sharma, Resident, Makkanpur Village, and children's parents marked their presence at the programme. The team enlightened the gathering by emphasizing the benefits of this yojna which includes skill development and enhancement through training centres, monetary assistance etc. At last success stories of people were shared through projector.

Inderprastha Engineering College, Ghaziabad heartily welcomed B.Tech First Year students by organising the **Fresher's Party, "PARICHAY-2023"** on 28th October, 2023. The event began with the lamp lighting by Prof. (Dr.) Ajay Kumar, Director, Prof. (Dr.) Sudhir Kumar, Dean-First Year, Prof. (Dr.) Meenakshi Sharma, Dean-Student Welfare, Dr. Preeti Kaushik, Dr. Reetuka Raj, Mr. Mandeep Katre, and Mr. Neeraj Kumar. Prof.(Dr.) Ajay Kumar, Director motivated first year students with his inspirational words. There were many sizzling performances by students which includes skit by theatre society INAAAYAT, Bhangra by Rangla Society and Musical performance by Dhaivat Society. The main attraction of the entire event was the ramp walk of first year students. Mr. Yatin Kishore and Miss. Manya Narang announced as Mr. and Miss. Fresher 2023. The event turned into a pulsating celebration with the electrifying ramp walk and DJ.

Technical Talk on **"Block Chain Enterprise"** organized on 26th October 2023 at Inderprastha Engineering College, Ghaziabad under IBM Academic Initiative by Dr. Mani Madhukar, Program Manager, CSR IBM. Prof (Dr.) Ajay Kumar, Director, welcomed the guest and motivated students for taking the benefit and utilizing the IBM initiative for upgrading their skills. Dr. Pooja Tripathi , HOD-IT, Dr. Vijai Singh, HOD-CSE, Dr. Kumud Kundu, HOD-AIML, Dr. Tripti Sharma, HOD-DS also shared the benefits for having the digital Badges for enhancing their resumes. Students enjoyed the various role plays for having the experiential learning.

PROCEEDINGS/EVENTS

A Guest Lecture was organized at Inderprastha Engineering College for first year BBA/BCA students. The session was led by Ms. Swati Saini, Founder, Samana Global Group, on the topic, "Technology's impact on Entrepreneurship: Marketing and Branding". The event aimed to provide students with valuable insights into the world of Entrepreneurship, Marketing and Branding. All faculty members of the department also participated in this event. The event was graced with the presence of Principal Dr. Vikas Gupta and Ms. Priyanka Gupta (Head IPEC-IIEC).

5-day Data Analytics FDP (Physical Faculty Buildathon 2023) by IBM AICTE at Inderprastha Engineering College, Ghaziabad from 18th September, 2023 to 22nd September, 2023. In a world that's constantly evolving, it's important for us to stay updated to stay ahead. Faculty Buildathon is designed to expand your horizon and equip you with practical and hands-on technical knowledge

An Exclusive program for faculty to enrich their skills in Emerging Technologies

Celebration of CHANDRAYAAN MAHOTSAV, with the triumphant accomplishment of Chandrayaan-3, India, has achieved a remarkable milestone by becoming the pioneering nation to successfully land on the southern pole of the Moon and the fourth country to have a soft-landed robotic instrument on the moon. To celebrate Chandrayaan Mahotsav, IPEC organized QUIZ as well as ESSAY writing Competition for the students on 4th September, 2023. Students of IPEC enthusiastically participated in the Quiz and Essay writing Competition. They were felicitated by Director IPEC, Prof (Dr.) Ajay Kumar and Dean(S&W), Prof(Dr.) Meenakshi Sharma.

Inderprastha Engineering College opened **Foreign Language Club**. Ms Roshni Khan, Spanish Language Trainer delivered the session on 11th September, 2023 to all B Tech, BCA, BBA students briefing about the details of the Spanish Language Assessment and Certification process. Very soon other foreign languages will be introduced in the Club activities.

Inderprastha Engineering College organized the **Student Interaction with AON CoCubes Campus relation team** for 1st, 3rd and 4th Year students. The Session was held on 14th September, 2023 at Inderprastha Engineering College campus. Mr. Vinay Singh (National lead -Education Vertical at AON'S Assessment Solution pvt. Ltd.) and Mr. Sparsh Vij (Manager - Strategic Relationships, at Aon CoCubes) were the host speakers for the event. The crux of this session revolved around elucidating the significance of CoCubes assignments in our students' academic and professional journeys. Mr. Vinay Singh, a luminary in this field, shared his profound insights, illuminating the path to success through CoCubes.

Poster Project Exhibition organised by Inderprastha Engineering College on the occasion of Engineer's Day to exhibit the creative and thought-provoking visual communication. In total of 97 groups comprising of 308 students from Inderprastha Engineering college and from different schools of NCR took part in the exhibition. The occasion was graced by Mr. A K Garg, CMD of BillTech Electricals Pvt Ltd., Ghaziabad and founder of Engineers Club with other Engineer club members and different renowned dignitaries, Director, Inderprastha Engineering College, Prof.(Dr.) Ajay Kumar, Deans and Heads of various departments and Registrar of the college. The students represented a diverse range of poster designs, each offering a unique perspective on various themes, issues, and concepts. Through these posters, students invited viewers to see the world through their eyes and gain a deeper understanding of the subjects they explore. In the age of rapid technological advancement, a series of posters delved into the impact of technology on our lives, from artificial intelligence, IOT Machine learning, Data science and more. From digital illustrations, the students employed diverse tools to convey their messages effectively. Winners were selected for different positions and were awarded with the trophy, certificate and cash prize.

On the occasion of **Engineers Day** and to pay tribute to the great Engineer Sir Moksha Gundam Visvesvaraya, students of IPEC performed a Nukkad Natak to spread awareness among students about the real importance and application of Engineering. The students were highly appreciated by the audience for their talented performance.

Department of Electronics and Communication Engineering organized an **Expert Talk on "Recent trends in All Optical Technologies"**. The resource person for the same was Dr. Gaurav Kumar Bharti, AP, Department of ECE, IIIT, Bhopal. The talk was highly informative and the students actively interacted with the resource person. Director IPEC , Prof. (Dr.) Ajay Kumar and Dean , S&W, HoD ECE, Prof. (Dr.) Meenakshi Sharma felicitated the invited speaker as a token of acknowledgment.

Inderprastha Engineering College organized “**1st International Conference on Artificial Intelligence and Data Science Application (ICAIDSC)**” on 22nd & 23rd September, 2023 in online mode. The main objective of the conference was to bring together top researchers, scientists, engineers, and scholars around the world to share the latest research findings and experiences in computing, communication control, and networking. Featuring keynote speeches and technical sessions, the conference covers a wide range of topics such as cloud computing, AI, wireless communication systems, IoT and cybersecurity.

International Conference

Inderprastha Engineering College, Ghaziabad organized **Ist International Conference on Artificial Intelligence and Data Science Application (ICAIDSC)** on 22nd-23th September, 2023. During conference, researchers, Academicians, and students presented their ideas/solutions/findings on wide range of topics varying from cloud computing to AI, wireless communication systems, IoT and cybersecurity. Out of 100 papers received, 50 papers were selected for presentation keeping in mind the research quality of the papers and standard of the conference. In the four tracks of the conference, variety of topics were dwelled into.

Department of Mechanical Engineering, Inderprastha Engineering College, Ghaziabad, organized one day seminar on the topic “**Introduction of Drone Industry**”. The seminar was conducted by Aeronautica Club of IPEC in collaboration with FORE Institute of Drone Technology & Research, Gurugram. Industry expert showcased promising aspects of drone technology in India and its potential to create jobs. The drone industry is expected to provide a wide range of employment opportunities, from drone operators and technicians to software developers and data analysts.

BBA & BCA students of Inderprastha Engineering College, Ghaziabad, joined for an enlightening **Industrial Talk on Corporate Grooming** by Ms. Rishika Verma Vohra on 22nd September, 2023. Principal Sir Prof. (Dr.) Vikas Gupta graced us with his presence in the event along with our Training and Placement Head Mr. Mandeep Singh and our faculty members were present during the event.

A **Nukkad Natak** on the occasion of “**WORLD SUICIDE PREVENTION DAY (WSPD)**” was performed by the students of INAAAYAT- the dramatic society of IPEC. Counselling & Outreach for Peer Empowerment (COPE) is the vital resource on campus, fostering mental health awareness and support among students. This Nukkad Natak aimed at youth awareness and promotion of healthier and more supportive campus community for mental health and emotional resilience. The Nukkad Natak was witnessed by BTech, BBA, BCA students as well as faculty and staff members of IPEC. The participating students were later felicitated by Director IPEC, Prof.(Dr.) Ajay Kumar and Dean (Student&Welfare) Prof. (Dr.) Meenakshi Sharma.

Inderprastha Engineering College organized a student interaction session with SHLAMCAT team for 1st year, 3rd year and 4th year. The session was held on 20th September, 2023 at Inderprastha Engineering College. Mr. Suraj Minocha was the host speaker for the event. The agenda of this session revolved around providing insights of AMCAT assessment, and how AMCAT can be a gateway to the opportunities for the students and help students throughout their professional journey. Director IPEC - Prof. (Dr.) Ajay Kumar Sir shared his valuable thoughts with the students and mentioned how significant it is to take these assessments on the regular basis. Mr. Suraj Minocha, shared his valuable insights and provided in-depth information to the students. Overall, it was indeed an informative and an interactive session and was quite helpful to the students.

Inderprastha Engineering College, Ghaziabad **Inaugurated International Language Cell with Spanish and German Languages** on 25th September, 2023. Prof (Dr) Ajay Kumar, Director, Prof Vikas Gupta, Principal, Prof Pooja Tripathi, SPOC , various HODs , Trainers and Faculty members were present for the occasion and they congratulated students and wished them Happy Learning.

IPEC-TBI Foundation incubated startups participated in **U.P International Trade Show**. Under the recent collaboration of IPEC-TBI Foundation with PUM Netherlands, Dr. Bert visited incubated startups during U.P International Trade Show.

On 27th September, 2023, Inderprastha Engineering College held a certificate distribution event to felicitate the students of 3rd and 4th year students and to recognize the students who completed the **Cisco Virtual Internship Program**. The event was graced by Dr Ajay Kumar, Director IPEC who delivered the welcome address and congratulated the students along with the HODs of various Departments. It was concluded with the vote of thanks by Dr. Ajay Kumar, Director IPEC, Ghaziabad.

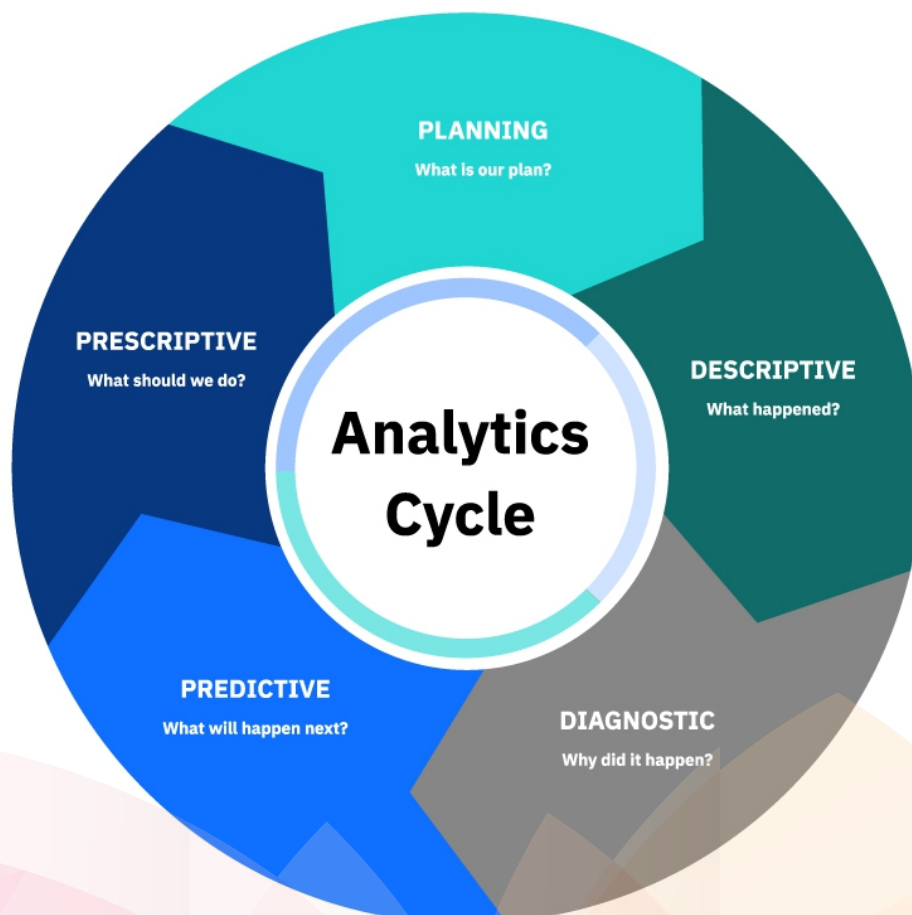

Inderprastha Engineering college organized a **workshop on NCS (National Career Services) Portal**. The workshop was conducted on 21st September, 2023. The workshop was conducted for 1st Year BBA Students. The workshop was Conducted by Mr. Ajay Kumar Gautam, Young Professional NICS, Noida DGE, Ministry of Labor and Employment, Government of India. The session was graced by the presence of our Principle sir Dr. Vikas Gupta. The session started with introduction of NCS portal. Students actively participated in the workshop and asked many questions from our Esteemed Guest. The session concluded with vote of thanks and gratitude for our Resource Person Mr. Ajay Kumar Gautam.

On 29th September, 2023, first year Students of Inderprastha Engineering College **visited MCN Solutions** , Sector 63 Noida , session started it with a brief interaction with all the students regarding their goals and ambition regarding their future, the talks furthermore lead to a informative discussion on blockchain and cybersecurity with a live exclusive demo of the Microsoft Hololens with every student getting a chance to try the AR/VR device. This hands-on experience led to a healthy and informative session with every student learning something new. In this session, selected students were rewarded with goodies from C# Corner.

Inderprastha Engineering College, Ghaziabad and Meerut Institute of Engineering and Technology, Meerut, jointly organized 5-days in person **Faculty Development Program on 'Data Analytics Using Cognos'** sponsored by IBM, in collaboration with AICTE and conducted by SmartInternz at Inderprastha Engineering College, Ghaziabad, which included a Physical Faculty Buildathon 2023 at IPEC, Ghaziabad, from 26th September, 2023 to 30th September, 2023. In a world that's constantly evolving, it's important for us to stay updated to stay ahead. Faculty Buildathon is designed to expand the horizon and equip the faculty with practical and hands-on technical knowledge. The faculty from various institutes participated in this FDP. On the first day the FDP inaugural session was graced by Prof. (Dr.) Ajay Kumar, Director Inderprastha Engineering college, Heads of various departments, our guests, Dr. Mani Madhukar, CSR Academia Leader, at IBM Pvt. Ltd and Mr. Nitin Manchanda, Delivery Leader, Financial Services at IBM Pvt. Ltd., the participants and the students. The trainers of FDP Ms. Shivani Kapoor and Mr. Indra Prakash Chauhan from Smart Internz took sessions each day. The faculty participants completed the 5-days training with submission of a mini-project on the last day and qualified for receiving participation certificate from IBM. SPOC of the FDP from Inderprastha Engineering college Ghaziabad is Prof. (Dr.) Pooja Tripathi, HOD IT, and SPOC from Meerut Institute of Engineering and Technology, Meerut, is Prof.(Dr.) Mukesh Rawat.

CELEBRATIONS

Faculty members and students, Inderprastha Engineering College, Ghaziabad came together for an unforgettable **Diwali celebration**. From spirited games to delightful refreshments, rangoli art, and the warm glow of diyas, our college sparkled with joy and togetherness.

The warmth of joy, the glow of happiness, the sparkle of prosperity, the light of good fortunes, and the brightness of rangoli. Inderprastha Engineering College, Ghaziabad **celebrated Diwali** with extraordinary happiness and gleam of diyas on 05th November, 2023. The blessings and wishes of Prof. (Dr.) Ajay Kumar, Director, IPEC made the celebration more exuberant. The celebration became vibrant and cheerful with Rangoli Competition and Diya Competition,

CELEBRATIONS

Inderprastha Engineering College - Innovation Incubation & Entrepreneurship Center (IPEC-IIEC, A govt. Approved MSME-Business Incubator) celebrated **International Women Entrepreneurs Day** by organising the event "Her Story 2.0" with 15+ Women Entrepreneurs at campus. Ms. Shakti Rani, Assistant Director MSME, was the Chief guest of the event, who enlightened the audience about different funding schemes of Min. of MSME for women entrepreneur. Prof.(Dr.) Ajay Kumar, IPEC - Director, and Ms. Priyanka Gupta, CEO IPEC-TBI Foundation, encouraged the participants with their motivational words about entrepreneurship. All the women entrepreneurs shared their startup story. "Her Story 2.0" provided them with a platform to build connections among each other and promote their startups and inspire students with their stories to pursue entrepreneurship.

Inderprastha Engineering College, Ghaziabad celebrated **"TEACHERS DAY "** on 5th September, 2023 to pay tribute to an eminent teacher, Dr. Sarvepalli Radhakrishnan. On this occasion, Director IPEC ,Prof(Dr.) Ajay Kumar felicitated nominated Faculty members of each department of IPEC as a token of appreciation and acknowledgement for the valuable contribution in their respective domains.

CELEBRATIONS

The only thing that you absolutely have to know is the location of the Library” Inderprastha Engineering College, Ghaziabad celebrated “**Library Week**” from 4th to 09th December, 2023. The Event was inaugurated by honorable Prof. (Dr.) Ajay Kumar, Director-IPEC. He shared his knowledge on achieving sustainable development through Library Resources such as, Journals, Books, E-Resources, NDLI & NDLI Club. The talk focused on the different viewpoints to improve learning resorces. The event was also graced with the presence of Dr. Vikas Gupta, Principal-IPEC, Prof.(Dr.) Pooja Tripathi, HOD(IT), Prof.(Dr.) Vijai Singh, HOD(CS), Dr. Kumud Kundu, HOD(CS-AIML), Prof.(Dr.) Meenakshi Sharma, HOD(EC), Dr. Tripti Sharma, HOD(CS-DS), Mr. Lakshman Singh, Librarian, and faculty members. The event successfully ended with awareness of Library Resources, NDLI and NDLI Club, Information of New Arrivals of Books.

Awards and Accolades

SHL India is pleased to announce the second list of colleges to be awarded the National Employability Award 2024 for being among the Top 10% engineering campuses in India or in their respective state. The awards started in 2012 by SHL, are the only awards given on the basis of actual performance of students on a standardized test and not on the basis of superficial factors like infrastructure, faculty etc. Through these awards SHL felicitates the institutes in India which are in the lead based on scores of their final year students on AMCAT, India's Largest Employability Test.

Engineering colleges awarded National Employability Award for being among the top 10% campuses nationally:

- Aditya Engineering College, Andhra Pradesh
- Global Engineering College, Madhya Pradesh
- Guru Tegh Bahadur Institute of Technology, Delhi
- Inderprastha Engineering College, Uttar Pradesh ✓
- Institute of Engineering & Management, West Bengal
- Kakatiya Institute of Technology and Science Warangal, Telangana
